

Great Openings has been awarded the federal government's 2011 Evergreen Award for environmental initiatives in:

- *Waste Prevention*
- *Recycling*
- *Purchase and Use of Recovered Materials*
- *Leadership & Investment of Resources in Culture Change*

As was detailed in GO's Evergreen Application, our recycling efforts in 2010 alone saved the following resources:

- *1,322 trees*
- *544,215 gallons of water*
- *257 cubic yards of landfill*
- *4,665 lbs. of air pollution effluents*
- *6,142 gallons of oil*

Great Openings is honored to be among a very short list of office furniture manufacturers to receive this award since its inception in 1998. It's gratifying to be recognized for our diligence in acting as a responsible neighbor, both locally and globally.
