Shared Space

Storage space is precious these days. Often, what little storage is available is located in common areas. That means heavy use by lots of people.

Great Openings' all-metal, all-welded cabinets are robust and reliable. We're proud that our products are MADE IN THE U.S.A. and backed by a lifetime warranty.

Visual Harmony

Trace pedestals, laterals, towers, lockers, bookcases and storage cabinets feature consistent horizontal lines and full-width fronts.

Keep a Low Profile

GO offers dozens of cabinets under 40" tall; perfect for maximizing natural light and employee collaboration.

Personal Storage

Store your backpack, your shoes, your files, your stapler and all the other things you need at work.

Stand Tall

Towers, wardrobes and lockers are exactly what's needed for multi-purpose or personal storage in collaborative workspaces.

Choices to Complement Your Surroundings

Paint Program - Standard and Custom
