Special Laminates

When you need a laminate or edge band that's not included in our Standard Laminates & Edges, call Great Openings to request a special quote and lead-time. We have access to WilsonArt®, Formica®, Nevamar®, Pionite® and many more.

Please note that special laminates or edges will require additional charges, lead-time, and minimum order quantities.

When it's time to place your custom laminate order, include the following information on your PO:

- name of your laminate and edge
- manufacturer names
- pattern names
- identification numbers

Special laminates and edges cannot be changed or canceled after the order has been confirmed by our Customer Service Department and an order acknowledgment has been sent.

Standard Work Surface Specifications

Specifications for (HPL) high pressure laminate work surfaces, cabinet tops, and drawer fronts

- Industrial grade particleboard, single-sided decorative laminate overlay
- High performance, high pressure laminate backer
- California Air Regulation Board Compliant to Phase 2. FSC Controlled Wood Status
- Water based, formaldehyde free, GREENGUARD® certified adhesive
- Finished thickness of horizontal application work surfaces is 1.2"
- Finished thickness of vertical application drawer fronts and doors is .8"
- Edge bands are 2mm or 3mm

Specifications for (HPL) high pressure laminate doors

- Identical to the specification shown above, except doors feature two-sided decorative high pressure laminate, so the appearance is identical inside and out

Specifications for (TFL) thermal fused laminates for drawer fronts and doors

- TFL is a cost effective, durable product used on vertical services such as drawer fronts and doors
- TFL offers the same abrasion resistance as High Pressure Laminate and slightly less impact resistance, therefore it's appropriate for use on drawer fronts and doors. Thermal Fused Laminates do not meet NEMA specification requirements, scratch resistance, or ball drop tests
- Doors feature two-sided decorative TFL, so the appearance is identical inside and out
- California Air Regulation Board Compliant to Phase 2. FSC Controlled Wood Status
- Finished thickness of TFL drawer fronts and doors is .75"
- Edge bands are 2mm or 3mm (identical to those used on HPL fronts)

CUSTOM COLORS

When you need a color that's not included in our 72 Standard Colors or Industry Favorites, simply send us a paint chip and we'll get it matched. A special lead time or cost will likely be included, but we can almost certainly supply exactly the color you need.

- No minimum order size on Custom Colors
- Custom Color up-charge is applied on a per unit basis
- Minimum lead-time is 15 working days after we receive your written color approval
- We must receive a purchase order before exchanging custom color samples.

Check our website for Custom Color Idea Starters, a sampling of trending new custom colors!

Here's how it works for custom colors:

1. Along with your purchase order, send us a 2" X 2" sample of your desired Custom Color (a metal chip is best, but often a laminate or paper sample will work).
2. We'll work with our paint suppliers to find a match, a process that typically takes 10 to 15 business days. Then we'll send a metal sample of our recommended paint color back to you, along with a sign-off sheet, total net up-charge, and lead-time requirements.
3. You'll return the sign-off sheet, we'll send you an order acknowledgment, and away we go!

Two-tone cabinets, with fronts painted a different color than the cabinet are available. Contact Sales for a quote.

Please note: *Our objective is to order exactly the correct amount of paint for each order so that we can offer you the lowest possible price. For this reason, if you happen to order the same custom color again weeks, months, or years later, paint inventory will likely not exist and any additional costs will once again be charged per unit, no matter the order size.*

PRODUCT CARE AND MAINTENANCE

This guide provides specific information to keep your Great Openings and Sparkeology products like new. With proper care, you can expect years of trouble-free use.

Cleaning Painted Metal

1. Apply a small amount of nonabrasive cleaner such as Simple Green®, Windex®, or 409®, using a paper towel or a clean, dry, lint-free microfiber cloth.
2. Rub gently to remove dirt.
3. Wipe clean using a new paper towel or cloth.

Cleaning Laminate

1. Apply a vinegar-and-water solution to a paper towel or a clean, lint-free microfiber cloth.
2. Gently wipe the surface to remove any surface dust. Caution: do not use furniture polish that contains waxes and oils on laminate surfaces. Do not use bleached-based cleaners on laminate as it may discolor. Do not use hard bristle brushes that may scratch the surface.
3. To spot clean laminate, use a mild soap-and-water solution or Windex®.
4. Rub the soiled area in the direction of the grain. If no grain is present, rub in a circular motion.

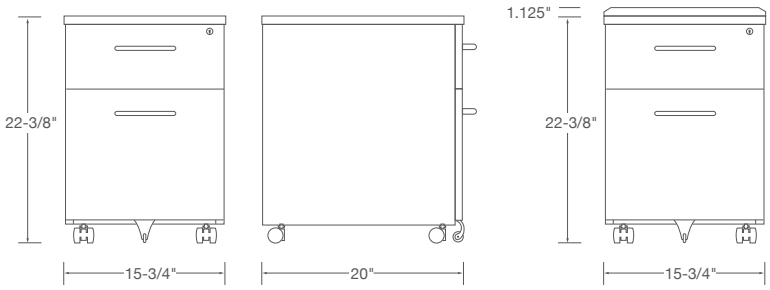

Cleaning Fabric

1. Regularly clean your fabric by vacuuming or light brushing.
2. Always check the fabric-specific cleaning instructions before deciding which cleaning product to use.
3. Test the cleaning product in an inconspicuous area first to guard against color bleeding or fabric shrinkage.

COMMERCIAL TERMS & CONDITIONS

These conditions of sale supersede all previous selling policies. Prices, discounts, lead-times and product offerings are subject to change without notice.

Order Placement
Great Openings requires that all orders be submitted in writing to avoid errors and/or duplication. Sales of all Great Openings' products are made only on the Company's standard terms and conditions of sale, unless modified in writing by an authorized Great Openings representative.

Orders received at Great Openings after 4:00pm EST will be processed the following day.

Order Acknowledgement
We diligently issue order acknowledgements via e-mail within 24 hours of purchase order receipt. If you do not receive an acknowledgement within 24 hours, please call our Customer Service department to determine the reason; we may not have received your order, or we may have questions that are delaying order entry.

PLEASE CHECK ACKNOWLEDGEMENTS FOR ERRORS IMMEDIATELY UPON RECEIPT.

The order acknowledgement process is designed to ensure protection for both the buyer and the seller. We strongly urge the buyer to make sure the acknowledgement accurately reflects the intended purchase.

Order Discrepancies
Great Openings will not be held responsible for extra costs due to errors resulting from purchase order inaccuracies. If and when a discrepancy is detected on the purchase order or acknowledgement, all corrections must be received in writing before further order processing can occur.

Changes, Cancellations
Orders may not be changed, corrected or cancelled, in whole or in part, after Great Openings has issued its order acknowledgement without the written consent of an authorized Great Openings representative. Special order items (special or custom cabinets, Customer's Own Materials (COM) fabric and laminates) already in production are not subject to change or cancellation under any circumstances.

Canadian Orders
Canadian orders may be processed using this price book. The pricing and payment terms included in this book are in U.S. funds. Custom brokerage fees and GST/HST taxes will be charged as separate line items on the invoice. All prices are freight included; FOB: Destination. A Regional Small Order Freight Charge applies to all orders less than $5,000 list (does not apply to accessory orders). See regional map for applicable fee.

Lead-Time
Lead-times are measured in working days, and begin after receipt of clean order.

Lead-times may change without notice. Stated lead-times will not commence until purchase order is actually entered into our system. We are not responsible for delays caused by order discrepancies or late receipt of COM items.

Special Shipping Instructions

Purchaser will be responsible for any and all extra costs incurred by reason of Great Openings complying with a special shipping request. Examples of special requests that may cause extra charges (dollar amounts shown are approximate, actual amounts may vary):

Any additional charges that result from the purchaser failing to accept a shipment as agreed upon will be the responsibility of the purchaser.

Special Delivery Charges
Once a delivery truck arrives at a destination, if the recipient is not ready to accept delivery as scheduled and the truck must wait, deliver "after hours", or make a second drop at a later time, the carrier charges a penalty for that delay which Great Openings must pass on to the customer.

These charges are as follows (dollar amounts shown are approximate, actual amounts may vary):

Night Delivery:
3:30-4:30 p.m.: $400 additional charge

Detention fee will be $75 per hour after two hours. Drop charge will be $75 per drop.

Weekend and holiday deliveries will be quoted per load depending on location and delivery time.

Please use caution when planning and communicating delivery requirements so that these exorbitant fees will not be necessary.

Key-Alike Services
Key-alike service is offered free of charge provided the key-alike request is associated with an order for a matching quantity of cabinets. Additional key/core sets, master and core keys are available for a nominal charge. All Great Openings products are keyed randomly prior to shipment. Special cores and keys are shipped separately to be changed-out in the field. See the Specification Guide in the front of this book.

Claim Policy
It is the purchaser's responsibility to examine goods upon receipt and to notify Great Openings customer service with any concerns. Any claims against Great Openings for apparent defects, errors or shortages must be made by the purchaser within five (5) working days after any delivery. Freight Damage Claims
Great Openings' terms are FOB destination, Great Openings is not responsible for damage that occurs in transit. All Great Openings' products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order.

It is the buyer's responsibility to inspect goods upon receipt for both apparent and concealed damage. In the rare instance where shipping damage is found, we ask the purchaser NOT to refuse shipment. Accepting shipment will give us more opportunities to remedy the situation through parts (fronts, tops) replacement and within the guidelines of the stated terms.

Claim and Replacement Policy
In the case of documented shipping damage, Great Openings will file a claim with the carrier and issue at no charge any replacement parts or product only if the purchaser meets the following conditions:

- Product is shipped via a Great Openings designated carrier
- Accept the shipment
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Great Openings immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Great Openings from obtaining carrier reimbursement and thereby require us to charge full price for product replacement.

Great Openings is not responsible for labor or trip costs associated with freight damage product replacement.

Concealed Damage Policy
Concealed damage (damage discovered after acceptance with no bill of lading documentation) should be reported to Great Openings immediately upon discovery. Please retain packaging and request carrier inspection immediately. Carrier liability ceases 7 calendar days after receipt of shipment. Great Openings will investigate on a case-by-case basis. In any case, Great Openings assumes no liability beyond the 7-day carrier liability and reserves the right to apply no remedy and/or various remedies dictated by individual event circumstances.
