www.greatopenings.com

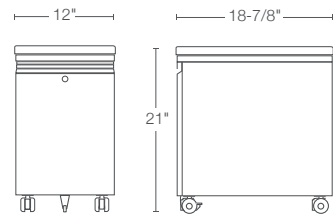

The ultimate mobile storage family with sizes and options for any work space.

slim

Fits where others won't. Choose from three drawer options: right-access, left-access, or two full-height drawer sides for filing. A concealed pencil drawer keeps necessities neatly tucked away.

- Concealed pencil drawer
- Choose from right- or left-side drawer access, or full height drawer bin
- Optional cushion top

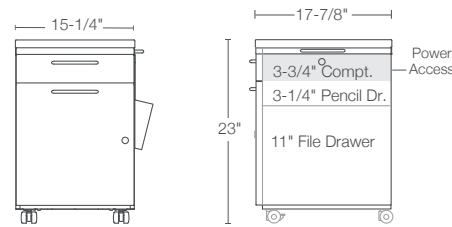

Fabric: Maharam Feature 466343

lester

Ideal for intimate work spaces. Lester is a slightly more compact version of our Chester model. Doubles as a temporary seat and is the perfect companion for keeping all your go-to stuff close at hand.

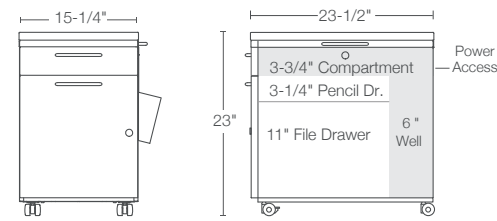

- Cushion top
- File drawer with concealed pencil drawer
- Felt-lined top storage compartment with power access grommet
- Optional side bin keeps current files close at hand

chester

The ultimate combination of filing and personal storage. Features two drawers up front for files and small necessities. Top lid reveals added space for electronics and personal items. Full-height rear well offers plenty of space for bags, shoes and more.

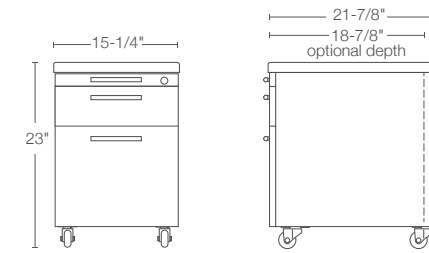

- Cushion top
- File drawer with concealed pencil drawer
- Felt-lined top storage compartment and rear full-height well with power access grommet
- Optional side bin keeps current files close at hand

cushion mobile pedestal

This guy's been around long enough to develop a reputation as an industry favorite. Sized just right for taking on your day-to-day filing and storage workload.

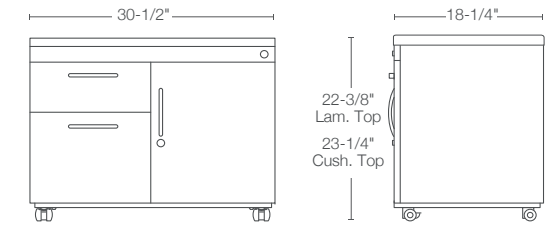

- Cushion top for temporary seating
- Drawer options include box file, pencil/box/file
- Translucent casters are available as an option

molly

This larger capacity workhorse comes in two configurations for enclosed or open storage. The spacious top can house project materials or even your personal printer.

- Laminate top standard with optional cushion top
- File and box drawer
- Choose from open shelves or cupboard door
- Choose from left or right hand configuration
