LAMINATES AND EDGE TRIMS

These 16 laminates with matching 3mm edge bands are appropriate for use on both work surface (horizontal) and door/drawer front (vertical) applications - all at standard price and lead-time. Look for additional easy-to-order Industry Favorites on our website, as well as our custom laminate program. Contact Wilsonart or Formica for samples.

FABRICS

In addition to our graded fabric program, we offer these standard fabrics for ease of ordering. C.F. Stinson New Hempstead fabric is a low texture, 100% polyester that will work very well as seating upholstery or in vertical tack board applications. For memo samples, please see cfstinson.com.
