CAYENNE FAQs

- Metal and laminate tops are 5/8" thick

CAYENNE WORK SURFACES

Work Surfaces

Work surfaces are 1.250" thick with 3mm PVC vinyl edge

Grommets:

Cayenne work surfaces do not include grommets as standard. If a single center grommet is needed (surfaces 24" - 60" wide), simply add a "G" suffix to the part number and add \$15 list to the work surface price. If two grommets are needed (surfaces 66" - 72" wide) add an "LR" suffix to the part number and \$30 list to the work surface price

Grommet locations:

When ordered with grommets, work surfaces will include one center grommet when 60" or less in width, and two grommets when 66" or more in width. Grommets are positioned 18.5" from either side and 2" from the back of the work surface
