K-12 School Districts, Charter Schools, Universities, Private Schools, Special Education Districts, Cities, Counties, States & State Agencies, Federal Agencies, Emergency Service Districts, Park & Water Districts, Native American Tribes, Transportation Authorities, Churches, Hospitals, Nursing Homes, Member Associations, Charitable Organizations, Etc.

Rules of the Road and Ordering Procedure:

- A publicly funded Education, Government or Non-Profit agency must be a TIPS member before you can leverage this contract. It is free, quick and easy with no obligation to become a TIPS member. Just tell your client to register online at: www.tips-usa.com/newmember.cfm
- Dealer must be an active Great Openings dealer in good standing and on our TIPS reseller list to participate on the TIPS contract.
- All TIPS Member orders will be governed by the TIPS discount schedule that can be found on separate cover and on our website TIPS Contract landing page
- Before completing a TIPS purchase, dealer must submit a request to Great Openings for a written TIPS Member Quote with the TIPS contract number on the quote
- If the TIPS Member decides to proceed with the purchase, the Member must submit the TIPS Quote and Purchase Order (**payable to Great Openings**) to tipspo@tips-usa.com. It is important for both documents to reference the TIPS Contract Number and the Dealer of Record. Dealer of Record should notify Great Openings of pending order and copy us (order, quote & special instructions). To prevent important details slipping through the cracks, please ensure that TIPS Members include all order instructions on the purchase order as we may not see their cover page emails.
