1518 Laminate Lockers

January 2024

We are excited about the launch our new 1518 laminate lockers! Below are some of the key features to our new locker series. Our goal with the 1518 was to create a simple, affordable, and efficient laminate locker program to meet your customers needs. We also wanted to have a guarantee that we could deliver in a 3-week lead time window that was similar to our metal storage.
