

# Flip

MULTIPURPOSE STOOL

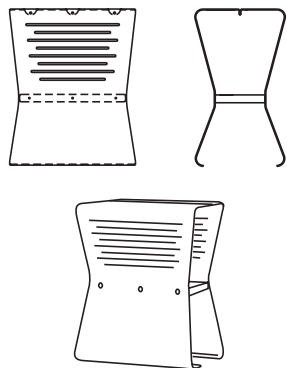

How can you resist this? It's a table, a stool, a resting place for your bag. Strong and lightweight, it's made to flip upside or down. And we think you'll flip for it.

Easy does it here. Pick a standard metal or call us for color options (extra, but so worth it). The translucent resin shelf comes standard with every Flip.

# Flip

MULTIPURPOSE STOOL

FEATURES

- The powder coated side panels are 12 gauge steel that is laser cut and contoured
- Resin shelf
- The seat has (4) decorative, color matching, snap rivets to protect the surface when being used as a bag holder
