

# Laminate Lockers with Style and Substance

In addition to our trusted line of metal lockers, Great Openings offers a full selection of laminate lockers—perfect for spaces that call for warmth, texture, and elevated design.

Available in most of our standard locker dimensions, these lockers can be finished in a wide variety of Wilsonart and Formica woodgrains and patterns, in both TFL and HPL. And with the ease of laminate customization, special requests are always welcome.

**Door Pulls**  
Customize the aesthetic of your lockers with a selection of door pull styles.
