METAL COLORS

All Great Openings products are finished with a hybrid powder formula (epoxy and polyester), which ensures an exceptionally durable, consistent finish. Simply select from our 72 Standard Colors, Industry Favorites (viewed online), or Custom Colors.

72 STANDARD COLORS

All at standard lead times and price, standard colors are smooth, except those identified as textured.

CUSTOM COLORS

When you need a color that's not included in our 72 Standard Colors or Industry Favorites, simply send us a paint chip and we'll get it matched. A special lead time or cost will likely be included, but we can almost certainly supply exactly the color you need.

- No minimum order size on Custom Colors
- Custom Color up-charge is applied on a per unit basis
- Minimum lead-time is 15 working days after we receive your written color approval
- We must receive a purchase order before exchanging custom color samples.

Check our website for Custom Color Idea Starters, a sampling of trending new custom colors!

Here's how it works for custom colors:

1. Along with your purchase order, send us a 2" X 2" sample of your desired Custom Color (a metal chip is best, but often a laminate or paper sample will work).
2. We'll work with our paint suppliers to find a match, a process that typically takes 10 to 15 business days. Then we'll send a metal sample of our recommended paint color back to you, along with a sign-off sheet, total net up-charge, and lead-time requirements.
3. You'll return the sign-off sheet, we'll send you an order acknowledgment, and away we go!

Two-tone cabinets, with fronts painted a different color than the cabinet are available. Contact Sales for a quote.

Please note: Our objective is to order exactly the correct amount of paint for each order so that we can offer you the lowest possible price. For this reason, if you happen to order the same custom color again weeks, months, or years later, paint inventory will likely not exist and any additional costs will once again be charged per unit, no matter the order size.

Great Openings Laminate Program

Great Openings offers the laminates listed below, at a standard price and lead time. We also make it easy to order other laminates and edge bands, as described below as "Special Laminates". For memo samples, please go to wilsonart.com or formica.com.

HPL and TFL Laminates

<https://www.greatopenings.com/finish-center/standard-laminates/>

Special Laminates

When you need a laminate or edge band that's not included in our Standard Laminates & Edges, call Great Openings to request a special quote and lead-time. We have access to WilsonArt®, Formica®, Nevamar®, Pionite® and many more.

Please note that special laminates or edges will require additional charges, lead-time, and minimum order quantities.

When it's time to place your custom laminate order, include the following information on your PO:

- name of your laminate and edge
- manufacturer names
- pattern names
- identification numbers

Special laminates and edges cannot be changed or canceled after the order has been confirmed by our Customer Service Department and an order acknowledgment has been sent.

Standard Work Surface Specifications

Specifications for (HPL) high pressure laminate work surfaces, cabinet tops, and drawer fronts

- Industrial grade particleboard, single-sided decorative laminate overlay
- High performance, high pressure laminate backer
- California Air Regulation Board Compliant to Phase 2. FSC Controlled Wood Status
- Water based, formaldehyde free, GREENGUARD® certified adhesive
- Finished thickness of horizontal application work surfaces is 1.2"
- Finished thickness of vertical application drawer fronts and doors is .8"
- Edge bands are 2mm or 3mm
- Cayenne laminate tops are 5/8" thick

Specifications for (HPL) high pressure laminate doors

- Identical to the specification shown above, except doors feature two-sided decorative high pressure laminate, so the appearance is identical inside and out

Specifications for (TFL) thermal fused laminates for drawer fronts and doors

- TFL is a cost effective, durable product used on vertical services such as drawer fronts and doors
- TFL offers the same abrasion resistance as High Pressure Laminate and slightly less impact resistance, therefore it's appropriate for use on drawer fronts and doors. Thermal Fused Laminates do not meet NEMA specification requirements, scratch resistance, or ball drop tests
- Doors feature two-sided decorative TFL, so the appearance is identical inside and out
- California Air Regulation Board Compliant to Phase 2. FSC Controlled Wood Status
- Finished thickness of TFL drawer fronts and doors is .75"
- Edge bands are 2mm or 3mm (identical to those used on HPL fronts)

LAMINATES

Products Available with Laminate Fronts

Any of the following Great Openings cabinets may be special-ordered to include factory-installed laminate fronts. Laminates may be one of Great Openings' standards, or a special ordered laminate. Laminate wood grain is positioned vertically on all fronts, including tower doors. Laminate fronts must be specified to include any one of our loop pulls. UM Series locks are included as standard. When ordering more than 50 of any single laminate size, please call Sales for a quote.

	Notes	Product
	<p>Pedestal drawer fronts and lock strip will be laminate. Cushion pedestals will not include a loop pull on the lock strip. Not available on 3" pencil drawers.</p>	<p>box/file pedestal file/file pedestal box/box/file pedestal</p>
	<p>Lateral drawer fronts and lock strip will be laminate. The lateral top and base are both visible from the front of the cabinet, and will be metal.</p>	<p>Box/file lateral (any width) 2-high lateral (any width) 3-high lateral (any width) 4-high lateral (any width) 5-high lateral (any width) 6-high lateral (any width)</p>
	<p>Laminate drawer and door fronts are full-width. The tower top and base are both visible from the front of the cabinet, and will be metal.</p>	<p>Cupboard wardrobe tower (any height)</p>
	<p>Double door storage fronts are full-width. The cabinet top and base are both visible from the front of the cabinet, and will be metal.</p>	<p>2-high storage cabinet (any width) 3-high double door cabinet (any width)</p>
	<p>Cayenne drawer fronts are full width, and the lock is located in the bottom drawer.</p>	<p>Cayenne two drawer cabinet (any width)</p>
	<p>In the locker section of this pricebook, you'll find laminate front options already priced, as an alternative to metal fronts.</p>	

FABRICS

Fabrics

Great Openings has graded programs with C.F. Stinson and Maharam, and fabric swatches may be ordered directly from them. Please check greatopenings.com for our current fabrics and grades.

For your convenience, we display 28 C.F. Stinson fabrics in our finish card and price book, just to make it simple to pick a low texture, solid color, 100% polyester fabric. All of these “standard” fabrics are priced at GRADE 1.

FABRICS

How to specify COM fabric on your purchase order:

Calculate the yards of fabric needed using the chart below. If ordering more than 20 identical units, call for fabric requirements

Clearly label your fabric package with:

- Purchase order #
- Dealer name
- Fabric description
- Yardage quantity enclosed

Send the fabric to:

Great Openings (Fabric), 901 East Sixth St., Ludington, MI 49431
 Please note PO or Sales order

Product	Required Yardage
 <p>Cushion FileCenter Cushion Pedestal Molly</p>	<p>Required for 54" or 66" fabric</p> <p>1 linear yard per unit</p>
 <p>Slim</p>	<p>Required for 54" or 66" fabric</p> <p>Slim (3/4 linear yard per unit)</p>
 <p>Trace Box/File Lateral Cushions</p>	<p>Required for 54" or 66" fabric</p> <p>•30", 36", and 42" wide laterals (3/4 linear yard)</p>
 <p>Cayenne Cushion</p>	<p>Required for 54" or 66" fabric</p> <p>12" wide cushion (3/4 linear yard) 18" wide cushion (3/4 linear yard) 30" wide cushion (3/4 linear yard) 36" wide cushion (3/4 linear yards) 42" wide cushion (3/4 linear yards)</p>
 <p>Desk Hutch</p>	<p>Required for 54" or 66" fabric</p> <ul style="list-style-type: none"> • 36" wide tack board requires 42" fabric (1-1/2 linear yard) • 42" wide tack board requires 48" fabric (1-1/2 linear yards) • 48" wide tack board requires 54" fabric (1-1/2 linear yards) • 54" wide tack board requires 66" fabric (2 linear yards) • 60" wide tack board requires 66" fabric (2 linear yards) • 66" wide tack board requires 72" fabric (2 linear yards) • 72" wide tack board requires 77" fabric (2-1/2 linear yards)
 <p>Rectangle Screen Scalloped-Shaped Screen</p>	<p>Required for 54" or 66" fabric</p> <ul style="list-style-type: none"> • 23" wide screen requires 29" fabric (1 linear yard) • 29" wide screen requires 35" fabric (1 linear yard) • 35" wide screen requires 41" fabric (1-1/2 linear yards) • 41" wide screen requires 47" fabric (1-1/2 linear yards) • 47" wide screen requires 53" fabric (1-1/2 linear yards) • 59" wide screen requires 65" fabric (2 linear yards) • 65" wide screen requires 71" fabric (2 linear yards) • 71" wide screen requires 77" fabric (2-1/2 linear yards)

The scalloped-shaped screens require the same amount of fabric as the rectangular screens. The 20-3/4" and 12" screen height dimension will be taken from the width of the cloth.

Key-Alike Process and Charges:

- Your key-alike request can be ordered on the original purchase order or under separate cover.
- Key-alike requests for the UM, SL, LL and K Series locks are processed at no charge as long as the quantity of key/core sets match the quantity of cabinets.
- When including the UM, SL, and LL Series locks, products will be shipped with randomly assigned cores/keys. Your key-alike requests for all lock series will be shipped separately and labeled to allow for easy change-out in the field, after the product is installed.
- A core-removal key is provided at no charge with each key-alike request.
- Additional keys, cores, master keys, and core keys may be purchased separately. The cost is \$6 net per item, plus \$20 net for shipping costs.

When ordering products to be keyed-alike, include this Key Order Form with your purchase order.

This guide provides specific information to keep your Great Openings and Sparkeology products like new. With proper care, you can expect years of trouble-free use.

Cleaning Painted Metal

1. Apply a small amount of nonabrasive cleaner such as Simple Green®, Windex®, or 409®, using a paper towel or a clean, dry, lint-free microfiber cloth.
2. Rub gently to remove dirt.
3. Wipe clean using a new paper towel or cloth.

Cleaning Laminate

1. Apply a vinegar-and-water solution to a paper towel or a clean, lint-free microfiber cloth.
2. Gently wipe the surface to remove any surface dust. Caution: do not use furniture polish that contains waxes and oils on laminate surfaces. Do not use bleached-based cleaners on laminate as it may discolor. Do not use hard bristle brushes that may scratch the surface.
3. To spot clean laminate, use a mild soap-and-water solution or Windex®.
4. Rub the soiled area in the direction of the grain. If no grain is present, rub in a circular motion.

Cleaning Fabric

1. Regularly clean your fabric by vacuuming or light brushing.
2. Always check the fabric-specific cleaning instructions before deciding which cleaning product to use.
3. Test the cleaning product in an inconspicuous area first to guard against color bleeding or fabric shrinkage.

Cleaning Acrylic Screens and Resin Tops

1. Use mild soap-and-water, applied with a dry lint-free cloth.
2. Wipe clean to remove soap and moisture residue.

PERSONAL STORAGE AND TRACE PEDESTAL SPECIFICATIONS

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Top and side channels are 18-21 gauge cold rolled steel
- Outer panels and drawer bins are 22 gauge steel, drawer fronts are 20 gauge steel
- Weight limits of 200 lbs for mobile pedestals and cushion mobile storage
- Black plastic casters are 37 mm, 2 locking and 2 non-locking, installed in the field
- Translucent casters are 50mm, all four casters are non-locking, installed in the field
- Cabinet heights listed include black plastic 37mm casters
- Four leveling glides with 1-5/8" adjustment ensure proper alignment and operation
- Leveling glides are not interchangeable with casters
- The front-facing kick plate on Trace freestanding pedestals is 3.25" high

Features

- Drawer fronts are mechanically fastened and removable to maximize design flexibility
- All drawers include full extension, steel ball bearing slides
- Slides include anti-rebound and quick disconnect features
- Drawer fronts include rubber bumpers for quiet operation
- Drawers can accommodate letter, legal, and ledger filing. Legal and ledger filing require a file drawer divider, sold separately

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Box drawer dividers snap into position and remain in place
- File drawer dividers snap into position to accommodate side-to-side filing
- Pencil trays include four compartments and sit on top of the sides of the box or file drawer bin
- Laminate drawer fronts may be specified. See the Specification Guide for details
- Polyethylene drawer front fillers increase sound absorption
- Individually locking drawers, either keyed or electronic

Lock System

- All Great Openings products include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order
- Pedestals may be ordered to include individually locking security drawers. See the Pedestal Accessory section for details

Counterweights

- Mobile Pedestals, Freestanding Pedestals, and Mobile FileCenters include factory installed counterweight
- Counterweights are not necessary for work surface supporting pedestals or hanging pedestals

Load Capacity

- Pencil drawer: 50 lbs
- Box drawer: 50 lbs
- File drawer: 70 lbs
- Slim bottom drawers: 70 lbs

Slim

- Bottom drawer may be specified as single-sided (left or right) or two-sided
- A two-sided drawer includes file bars to accommodate letter or legal hanging files
- A concealed top drawer is accessible when bottom drawer is open
- Cushion is 1" foam
- Linear yardage required for COM fabric (20 units or fewer): Slim - 3/4 yard
- Unless otherwise specified, the fabric grain on cushions will be applied "front-to-back"
- To specify an electronic lock instead of keyed lock, add an "E" after the "U" of the part number and add \$460 to the list price
- Includes black 37mm casters (2) locking and (2) non-locking
- A 5th caster is located under the bottom drawer
- Caster height allows for 1.792" clearance

SLIM XLT

- 75mm black casters (2L/2NL) integrated into outrigger base for added stability and higher clearance
- Ergonomic, three-stage telescoping handle
- Rear storage bag with one full-length and one half-length pocket for laptop and accessories
- Self closing slides keep drawer closed during travel

**Pedestal Accessories
(Factory Installed)**

file drawer divider

box drawer divider

pencil tray

- Order one of these packages to be installed in the pedestal in the factory
- Black plastic pencil tray includes 4 compartments and sits on top of drawer bin sides
- Black plastic drawer dividers snap in place. The drawer divider may also be used as a file conversion bar for side-to-side filing, and as a file compressor
- Accessory package prices will be added to the standard pedestal prices

Description	Options	Part #	Price
file/file pedestals will include two 12" drawer dividers	file/file	add "A" as a suffix to the part number	\$38
box/box/file will include two 6" drawer dividers, one 12" drawer divider, and one pencil tray	box/box/file	add "A" as a suffix to the part number	\$68
box/file will include one 6" divider, one 12" divider and one pencil tray	box/file	add "A" as a suffix to the part number	\$56
pedestal will include one pencil tray	any	add "P" as a suffix to the part number	\$21

**Pedestal Accessories
Sold Separately**

- Individual pedestal accessories, described above, are packaged and sold separately

Description	Pkg Weight	Pkg Cube	Part #	Price
single pencil tray	.5 lb	4.3	VMEX 000 29-1	\$21
single box drawer divider	.25 lb	1.7	ECOX 1070-1	\$15
single file drawer divider	.75 lb	4.3	ECOX 1071-1	\$21

**Security Pedestal
Upgrade**

- Pedestals that include box or file drawers may be converted to a security unit by adding a lock to each drawer and a security shelf between each drawer
- This (non-UM) double-bit security lock is conical in shape and chrome plated. Please call our Customer Service for lead-time information
- Security pedestal upgrade prices will be added to the standard pedestal price

Description	Options	Part #	Price
security pedestal upgrade	file/file	Add "EY" as a suffix to the part number	\$305
	box/file	Add "EY" as a suffix to the part number	\$332
	box/box/file	Add "EY" as a suffix to the part number	\$384

**Drawer Front Filler
-Pedestals**

Inside View

- Pedestals with box or file drawers may be upgraded to include a closed cell polyethylene filler piece that adheres to the inside of the drawer front for improved sound dampening. (3" pencil drawers are enclosed as standard with a formed metal piece.)
- Drawer Front Filler upgrades, priced per drawer, will be added to the product list price

Description	Options	Part #	Price/Drw
drawer front filler	price per drawer	Add "U" as a suffix to the part number	\$21

Available Fronts | A | B | D | F | H | I | N | P | Q | S

Basic Construction

- Trace lateral files feature horizontal lines and full-width fronts consistent with all other Trace products
- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Reinforced vertical and horizontal channels ensure dimensional stability
- Top and side channels are 20 gauge cold rolled steel. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- The lock strip on 4-high and 5-high laterals is located above the fourth drawer. In 6-high laterals, the lock strip is located above the fifth drawer
- Four leveling glides with 1-1/4" adjustment ensure proper alignment and operation
- The front-facing kick plate on Trace lateral files is 3.25" high

Features

- The top opening of 5-high and 6-high Trace laterals features an over-the-top flipper door with 13-1/4" inside clear height that will accommodate standard height binder storage
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Trace lateral file metal and laminate tops are sized to be flush with the sides of the cabinet, so that files installed side-to-side will have no gaps between
- Drawers include full-height side panels
- Two file bars are included in each drawer, for side-to-side filing. File conversion bars for front-to-back filing are sold separately
- Drawer bins will accommodate A4, Letter, and Legal size filing

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Laminate drawer fronts may be specified. See the Specification Guide for details
- Common laminate tops
- Polyethylene drawer front fillers increase sound absorption
- Individually locking drawers, either keyed or electronic
- File conversion bars for front-to-back filing
- Magnetic shelf dividers
- Magnetic label
- Magnetic drawer dividers for lateral box drawers

Lock System

- All Great Openings products include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order

- Trace lateral file locking system captures drawer fronts on both sides
- Trace lateral files may be ordered to include individually locking security drawers

Counterweights & Interlock

- The safety interlock mechanism is integrated into the drawer slides, allowing only one drawer to open at a time
- All lateral files with drawers and roll-out shelves used as freestanding cabinets must have counterweight if not ganged together or otherwise anchored
- Counterweights may be factory-installed or purchased separately to be installed in the field

Load Capacity

- Drawer and roll-out shelf load capacity:
 - 30", 36", and 42" wide drawers is 125 lb
- Fixed and adjustable shelf load capacity:
 - 30" shelf: 95 lbs
 - 36" shelf: 116 lbs
 - 42" shelf: 136 lbs
- Lateral file metal top load capacity:
 - 30" wide top: 140 lbs
 - 36" wide top: 168 lbs
 - 42" wide top: 192 lbs

TRACE LATERAL FILES

SIN 33721

TRACE Lateral File

- 5-high and 6-high include top flipper door that stows over-the-top, revealing either a roll-out or fixed shelf
- Flipper compartment features 13-1/4" inside clear height for binder storage
- Counterweight is required if not ganged together or otherwise anchored
- Laminate tops are sold separately for individual laterals and laterals paired side-by-side or back-to-back (see lateral accessory section). Please note that a laminate top may not be placed on top of a Trace lateral that includes a flipper door on the top opening
- Trace lateral files with flipper door on top, when installed in a "built-in" wall situation will require a minimum of 1-1/2" clearance above the cabinet for the flipper door to go up and over the top

TRACE LATERAL FILES

SIN 33721

TRACE Low Height Lateral File

- Trace box/file lateral files require counterweight unless they are ganged back-to-back with another lateral file or otherwise tethered to a permanent structure. Without counterweights, ganging box/file lateral files side-by-side will not ensure stability
- Choosing counterweight for lateral files with box drawers requires special attention. Select the appropriate counterweight by the height of the cabinet, rather than by the number of drawers
- Open shelf lateral files do not need counterweight
- Cushion is 1-1/2" tall, an upholstered board factory-installed with screws
- 3/4 linear yard required for COM fabric (20 units or fewer)
- Unless otherwise specified, the fabric grain on all cushions will run "front-to-back"
- Open shelf unit allows for binder height storage on one shelf. Shelves adjust in 1/2" increments, and counterweight is not necessary

TRACE Individual-Locking Lateral File

top opening does not lock

- High security locking system with a double-bit keyed lock
- Will not key-alike with a standard UM series lock
- Drawer fronts are captured on both sides
- A security pan is included between each drawer
- The standard gang lock, which typically locks all drawers together, is not included
- A safety interlock, which allows for just one drawer to be opened at a time, is included
- Counterweight is required if not ganged together or otherwise anchored
- Contact Customer Service to discuss key series availability and lead time
- To change the keyed lock to an electronic lock, change the "RG" to an "RE" in the first part number and add \$460 list per drawer. Electronic locks may only be specified with an "A: Full Pull" drawer front
- 5-high and 6-high laterals include a non-locking flipper door with fixed shelf in the top opening

**TRACE
Counterweight
– Factory Installed**

- In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves if they are not ganged together or otherwise anchored
- Fixed and open shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements

Cabinet Height	Description	Part #	Price
22-5/8" & 23-1/2"	30" box/file c-wt	Add a "W" suffix to the lateral file part number	\$205
22-5/8" & 23-1/2"	36" box/file c-wt		\$226

**Lateral File
Ganging Kit**

- Rather than install a counterweight, an alternate method of ensuring lateral file stability is to gang two or more laterals together side-by-side or back-to-back
- Trace box/file laterals require a counterweight unless they are ganged back-to-back with another lateral file or otherwise tethered to a permanent structure. Without counterweights, ganging box/file laterals side-by-side will not ensure stability
- Ganging kit includes a drill template, screws, and instructions

Description	Pkg Wt	Pkg Cube	Part #	Price
kit to gang two laterals together	1 lb	.2 ft	LME 100010K	\$63

TRACE Individual Lateral File Laminate Top

- Laminate top may be factory-installed or shipped separately
- A laminate top may not be placed on a Trace lateral file that includes a flipper door in the top opening
- When factory-installed, the list price shown will be added to the accompanying lateral file price
- A metal top is not included when using a laminate top
- The finish height of a Trace lateral file will be 5/8" taller when using a 1-1/4" laminate top than the height of a Trace lateral file with metal top
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge and/or extended lead-time; call for details
- Laminate tops used on individual lateral files are sized to be flush with the sides of the lateral file case, so that individual files installed side-by-side will have no gaps between

Laminate Common Tops for TRACE Lateral Files

- Common laminate tops are shipped separately, to be installed in the field
- A laminate top may not be placed on a Trace lateral file that includes a flipper door in the top opening
- The finish height of a Trace lateral file will be 5/8" taller when using a 1-1/4" laminate top than the height of a Trace lateral file with metal top
- Common top sizes allow for 1/8" overhang on all four sides
- It is recommended that you remove the metal top from lateral files before attaching the common laminate top
- Trace Work Surface Supporting Lateral Files, which are 2 drawer files and do not include metal tops, are available in this price book
- Trace lateral files may be special-ordered to not include metal tops
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge and/or extended lead-time; call for details
- Lateral files that are ganged together with a common top do not need a counterweight

Basic Construction

- While TRACE lateral files feature horizontal lines and full-width fronts consistent with all other TRACE products, Recessed Front lateral files have in-set drawer fronts and the flipper doors stow inside the cabinet
- Recessed Front lateral files finish at different heights and have completely different horizontal lines than the TRACE products
- Recessed Front lateral files are available with three different front styles:
A: Full Pull, F: Square Recessed Pull, and H: HW Pull. These recessed style pulls allow the 12" flipper door to recede fully inside the cabinets
- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Steel frame construction is welded and channels are formed in key areas for strength
- Reinforced vertical and horizontal channels ensure dimensional stability
- Inner frame is 20 gauge metal. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- Four leveling glides with 7/8" adjustment are included to ensure proper drawer alignment and operation

Features

- Positive self-closing hinges and door follower channel provide superior flipper door tracking and a snug door closure. The doors are drawn in when closed to ensure uniform door alignment
- Flipper doors include a built-in sound absorption feature in the flipper door for quiet operation
- 12" receding flipper doors stow completely inside the cabinet
- 15" receding flipper doors extend 2-1/4" outside the front of the cabinet. Please allow for this clearance when creating your floor plan
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Drawer includes full-height side panels
- Two file bars are included in each drawer for side-to-side filing
- All Great Openings' lateral drawer bins will accommodate A4, Letter, and Legal size filing

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Laminate drawer fronts may be specified. See the Specification Guide for details
- Common laminate tops
- Polyethylene drawer front fillers increase sound absorption
- File conversion bars for front-to-back filing
- Magnetic shelf dividers
- Magnetic label

Lock System

- All Great Openings products include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order
- The locking system captures drawer fronts on both sides

Counterweight & Interlock

- The safety interlock mechanism is integrated into the drawer slides, allowing only one drawer to open at a time
- All lateral files with drawers and roll-out shelves used as freestanding cabinets must have counterweight if not ganged together or otherwise anchored
- Counterweights may be factory-installed or purchased separately to be installed in the field

Load Capacity

- Drawer and roll-out shelf load capacity:
 - 30", 36", and 42" wide drawers: 125 lb
- Fixed and adjustable shelf load capacity:
 - 30" shelf: 95 lbs
 - 36" shelf: 116 lbs
 - 42" shelf: 136 lbs
- Lateral file metal top load capacity:
 - 30" wide top: 140 lbs
 - 36" wide top: 168 lbs
 - 42" wide top: 192 lbs

RECESSED FRONT LATERAL FILES

SIN 33721

Recessed Front Lateral File

- 3-high and 5-high lateral files may be specified with all drawers, or with a receding door in the top opening with either a fixed or rollout shelf
- The receding door in these lateral files is approximately 12" high; when open, the door stows fully inside the cabinet
- Counterweight required if not ganged together or otherwise anchored
- Individual locking drawers not available

Recessed Front
Lateral File
Counterweight
- Factory Installed

- In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves if they are not ganged together or otherwise anchored
- Fixed shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements

Description	Part #	Price
2 drawer c-wt		\$254
3 drawer c-wt	Add a "W" suffix to the lateral file part number	\$202
4 drawer c-wt		\$145
5 drawer c-wt		\$95

Recessed Front
Lateral File
Counterweight
- Sold Separately

- These counterweights are shipped separately to be installed at the work site
- In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves if they are not ganged together or otherwise tethered
- Fixed shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements

Individual Laminate Tops for Recessed Front Lateral

- Factory installed or shipped separately
- List price shown will be added to the accompanying lateral price
- Metal top is not included when using a laminate top
- Finish height of lateral file will be 5/8" taller than the height of a standard Recessed Front lateral file with metal top
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge; call for details
- Laminate tops used on individual lateral files are sized to be flush with the sides of the lateral, so that individual laterals installed side-by-side will have no gaps between

Spec Guide Personal Storage Pedestals Lateralis Collab. Islands Lockers Lam Lockers Towers Storage Cabinets Bookcases Cayenne Hi Adj Tables Trace Desk Desk Accs Sparkology Terms/Conds

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Reinforced vertical and horizontal channels ensure dimensional stability
- Top and side channels are 20 gauge cold rolled steel. Fronts, tops, outer panels are 20 and 22 gauge. Shelves are 18 and 20 gauge
- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the locker
- Lockers include inner side panels, so that structural components are concealed
- The front-facing kick plate on Trace lockers is 3.25" high

Features

- Lockers are shipped fully assembled
- Lockers may be ordered with metal or laminate fronts
- Multiple color door order forms make it easy to mix and match door colors
- Lockers include either coat hooks or coat rod; see individual product descriptions
- Additional shelves are available for order
- All single door lockers include shelf clip holes in the side panels, to accommodate additional shelves that are sold separately. The top-most shelf position allows for 12" clear height above the shelf.

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Choose from keyed locks, electronic locks, or hasp locks
- Interior power outlets may be installed inside locker compartments. Contact Sales for specification and pricing
- Locker door number plates, stainless steel laser etched with any combination of numbers needed to permanently identify individual locker doors
- Laminate common tops
- Locker ganging kit, for ganging lockers side-to-side
- Sloped tops
 - 18" D top is 7.12" H. increases cabinet height 6.50"
 - 24" D top is 9.30" H, increases cabinet height 8.68"
- Locker venting
- Mail slots

Plug 'n Play USB Charging

- Plug and play components
- Preconfigured kits for easy ordering
- 110v plug in feed for up to 8 lockers
- Total 25W power output
- Intelligent USB Type C with Power Delivery
- Reversible USB Type A with Fast Charge
- Internal overload protection
- LED Power Delivery indication

Keyed Lock System

- Keyed locks include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order

Hasp Locks

- Hasp locks may be used instead of a keyed or electronic lock
- Hasp lock on metal door includes the A: Full Pull
- Available on laminate doors
- To order, specify "Hasp Lock" in the product description on your purchase order and add \$55 list per door to the keyed locker price

For customer specified electronic or RFID locks, please call for quote.

E-Lock (E)

- Durable and versatile, electronic locks may be programmed to either fixed or revolving mode
Fixed Mode: Once a code is created, that code remains in effect until the user changes it.
Revolving Mode: Code is cleared after each complete locking cycle.
- Electronic Lock Features:
 - Once a code is entered, the lock is activated by turning the lever to the locked or unlocked position
 - Runs on (2) AAA batteries (included)
 - Operates using a 4-to-8 digit code
 - A supervisor code is included
 - For large projects, the supervisor code may be pre-programmed into locks
 - May be programmed by the supervisor as Fixed or Revolving Code
 - Includes programmable reset features
 - Easy to clean membrane keypad
 - 75,000 plus cycles; extended battery life reduces replacement and labor maintenance costs
- 1 year warranty

Pearl (PR)

- Front loaded batteries; accessible even when locked
- Ultra thin – Pearl has the lowest keypad surface height of any electronic keypad lock
- Features programmable user codes, supervisor code and modes of operation
 - programming is easy and does not require special keys or tools
- 40,000 operating cycles or five years of battery life
- 20 codes per lock: 19 user codes and one supervisor code

Mechanical Lock (OJ)

- Non Handed – Lock fits LH or RH doors
- Key free operation – No need to manage or issue keys to open lock
- Public or Private mode – Lock can be assigned for shared or personal use
- Integrated code finder – Management can recover lost code and reset lock if required
- Lock status indicator – Visually identifies if locker is free or occupied
- Integrated pull handle – Facilitates easy door opening
- Low maintenance – Robust mechanism, no batteries required
- ADA options – Accessories available to assist ADA users
- Key override – Management ability to override all codes with master key
- Interchangeable key cores – Giving ultimate management key control should a key be lost or compromised. Cores are supplied keyed alike.

Nano E-Lock Mini Keypad (WE)

- Access with ADA-compliant keypad or free Wesko App
- All metal construction
- All metal housing
- Brushed nickel finish

LCK00025K	Kit to gang two lockers together	\$58	1 lb	.2 ft

Locker Door Number Plates

- .030 Acrylic 1" h x 2"w, surface color brushed aluminum
- Imprinted in black with any combination of numbers needed to permanently identify individual locker doors
- Includes a peel-and-stick adhesive (3M #467MP 5 mil PSA) that provides a permanent attachment to metal and laminate
- Shipped separately from your locker order. Once lockers are set in place, the number plates may then be installed in the desired order
- Please specify the quantity and number pattern needed. No minimum order required

Part #	Description	Price per unit
LDNP0012	Brushed aluminum number plate 2" W x 1" H	\$19

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A 12 year warranty ensures long-lasting performance and after-sale support
- Leveling glides allow for 7/8" adjustment and are accessible from inside the locker
- Concealed door hinges allow for 100 degree opening
- The front-facing kick plate on laminate lockers is 3.25"

Features

- 18" deep lockers include (2) two-pronged coat hooks, one per side
- All single door lockers include two clusters of shelf clip holes in the side panels, to accommodate additional shelves that are sold separately. One cluster near the top of the locker allows for 3" adjustability, with up to 12" clear height above the shelf. A second cluster near the bottom of the locker allows for 3" adjustability, with up to 8" clear height below the shelf
- Additional adjustable shelves are available for order on most locker styles
- Door may hinge left or right
- Lockers available with three lock options: keyed (UM is standard, and also available with LL, SL), Hasp, and electronic locks
- Conventional keyed lockers are keyed randomly at the factory. Key alike service is available

Options and Accessories

- Locker door number plates
- Common laminate tops

Keyed Locks

- Lockers come standard with randomly-assigned UM Series lockers (#226-425)
- UM locks are black-faced, master-keyed and core-removable
- You may arrange with Customer Service to have these locks keyed-alike in the field
- Other key series options are available, including bright nickel LL, Haworth SL

Hasp Locks

- Hasp locks may be used instead of a keyed or electronic lock
- To order, specify "Hasp Lock" in the product description on your purchase order and add \$50 list per door to the keyed locker price

Cleaning Laminate

This guide provides specific information to keep your Great Openings and Sparkeology products like new. With proper care, you can expect years of trouble-free use.

1. Apply a vinegar-and-water solution to a paper towel or a clean, lint-free microfiber cloth.
2. Gently wipe the surface to remove any surface dust. Caution: do not use furniture polish that contains waxes and oils on laminate surfaces. Do not use bleached-based cleaners on laminate as it may discolor. Do not use hard bristle brushes that may scratch the surface.
3. To spot clean laminate, use a mild soap-and-water solution or Windex®.
4. Rub the soiled area in the direction of the grain. If no grain is present, rub in a circular motion.

For customer specified electronic or RFID locks, please call for quote.

E-Lock (E)

- Durable and versatile, electronic locks may be programmed to either fixed or revolving mode
Fixed Mode: Once a code is created, that code remains in effect until the user changes it.
Revolving Mode: Code is cleared after each complete locking cycle.
- Electronic Lock Features:
 - Once a code is entered, the lock is activated by turning the lever to the locked or unlocked position
 - Runs on (2) AAA batteries (included)
 - Operates using a 4-to-8 digit code
 - A supervisor code is included
 - For large projects, the supervisor code may be pre-programmed into locks
 - May be programmed by the supervisor as Fixed or Revolving Code
 - Includes programmable reset features
 - Easy to clean membrane keypad
 - 75,000 plus cycles; extended battery life reduces replacement and labor maintenance costs
- 1 year warranty

Pearl (PR)

- Front loaded batteries; accessible even when locked
- Ultra thin – Pearl has the lowest keypad surface height of any electronic keypad lock
- Features programmable user codes, supervisor code and modes of operation
 - programming is easy and does not require special keys or tools
- 40,000 operating cycles or five years of battery life
- 20 codes per lock: 19 user codes and one supervisor code

Mechanical Lock (OJ)

- Non Handed – Lock fits LH or RH doors
- Key free operation – No need to manage or issue keys to open lock
- Public or Private mode – Lock can be assigned for shared or personal use
- Integrated code finder – Management can recover lost code and reset lock if required
- Lock status indicator – Visually identifies if locker is free or occupied
- Integrated pull handle – Facilitates easy door opening
- Low maintenance – Robust mechanism, no batteries required
- ADA options – Accessories available to assist ADA users
- Key override – Management ability to override all codes with master key
- Interchangeable key cores – Giving ultimate management key control should a key be lost or compromised. Cores are supplied keyed alike.

Nano E-Lock Mini Keypad (WE)

- Access with ADA-compliant keypad or free Wesko App
- All metal construction
- All metal housing
- Brushed nickel finish

trace SINGLE DOOR LOCKER
MULTIPLE COLOR DOOR INDICATION FORM

Use this form to indicate what custom colors you would like on your Single Door Locker. Use additional forms if needed for different color configurations.

1. Use the diagram below to indicate (type or write in) which colors go on which doors and case.
2. Email this form along with your purchase order to customer service at goorders@greatopenings.com.

Calculating Multiple Color Paint Charges:

For each unique cabinet, add \$55 net per additional color beyond the case color. When ordering multiple cabinets that are identical in color pattern, the \$55 net per additional color is applied just once.

Example:	
Case Color plus 1 additional color	\$55 net

DOUBLE DOOR LOCKER trace MULTIPLE COLOR DOOR INDICATION FORM

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Reinforced vertical and horizontal channels ensure dimensional stability
- Top, back, side and center panels are 21 gauge steel
- Inner top, bottom, and side channels are 18 gauge steel
- Drawer and door fronts are 20-22 gauge steel
- Shelves are 18 gauge steel, and drawer bins are 22 gauge
- Concealed hinges allow for 110° opening
- Shelves are ¾" tall and are adjustable in 1-1/2" increments
- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the cabinet
- Mobile Cupboard Wardrobe Tower includes 75mm casters, two locking and two non-locking
- Tower drawers include full-extension steel ball-bearing slides, with anti-rebound and quick disconnect features
- The front-facing kick plate on Trace towers is 3.25" high

Features

- Laminate fronts may be specified for 2-high and 3-high double door storage cabinets and cupboard wardrobe towers

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- In towers, file drawer dividers allow for side-to-side filing
- Work Surface Support Bracket attaches to the Bookcase Wardrobe Tower or Bookcase Tower

Lock System

- Keyed locks include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order
- Towers include safety interlock that allows only one drawer to open at a time
- Towers are not available with individually locking doors/drawers

Can I customize?

- Towers with special heights, widths, depths, and drawer/cupboard configurations are one of our specialties! Call for details

Work Surface
Supporting Bracket

- May be added to any Bookcase Wardrobe Tower or Bookcase Tower with side facing bookcase
- May not be used on cupboard tower
- Factory installed only
- Supports 1-1/4" work surface at 27-3/4" finish height
- Black bracket is 17" wide, extends 3"
- Three mounting holes for work surface attachment
- Modesty panel not available for this application

Part #	Price
Add an "R" as a suffix to the Bookcase Wardrobe Tower or Bookcase Tower part number.	\$102

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Reinforced vertical and horizontal channels ensure dimensional stability
- Double Door Storage Cabinet metal gauge: Top, back, side and center panels are 21 gauge steel, inner top, bottom, and side channels are 18 gauge steel. Door fronts are 20-22 gauge steel. Shelves are 18 gauge steel
- Concealed hinges allow for 110° opening
- Four leveling glides with 1-1/4" adjustment ensure proper alignment and operation, and are accessible from inside the cabinet
- Shelves are 3/4" thick and are adjustable in 1-1/2" increments
- Inside width dimensions shown in "Inside Dimensions" table are for the door opening. An additional 1.75" in width is available once inside the door hinges
- The front-facing kick plate on Trace double door storage cabinets is 3.25" high

Features

- Top is mechanically fastened, so may be replaced with laminate top

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Additional shelves are available for order
- Magnetic shelf divider, sold in packages of three

Lock System

- Keyed locks include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order
- Double Doors Storage Cabinets are not available with individually locking doors
- Electronic locks are available. Please call Sales for details

Individual Tops for TRACE Double Door Storage Cabinets

- Laminate top may be factory-installed or shipped separately
- When factory-installed, the list price shown will be added to the accompanying cabinet price
- A metal top is not included when using a laminate top
- The finish height of a storage cabinet file will be 5/8" taller when using a 1-1/4" laminate top than the height of a storage cabinet with metal top
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge and/or extended lead-time; call for details
- Laminate tops used on individual storage cabinets are sized to be flush with the sides of the cabinet case, so that individual cabinets installed side-by-side will have no gaps between

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Double wall construction on side panels
- Bottom channels, top and shelves are all 18 gauge
- Back panel, side channels and side panels are 22 gauge.
- Shelves are 1" tall and are adjustable in 1/2" increments
- Four leveling glides with 5/8" adjustment ensure proper alignment and operation
- Actual outside widths of bookcases are:
 - 30" = 29-11/16"
 - 36" = 35-11/16"
 - 42" = 41-11/16"
- Outer side panels are flush with the sides of bookcase top, so there's no gap between bookcases when installed side-by-side
- To ensure stability, 4, 5, and 6-high bookcases should be installed against a wall or other solid object
- Shelf capacity, all widths: 140 lbs

Features

- 2-high bookcases will accommodate binder-height storage on both shelves. For all other bookcases, binder-height storage is available on all but one shelf
- Top is mechanically fastened, so may be replaced with a laminate top

Options and Accessories

- All options and accessories are sold separately or are available as an upgrade
- Additional shelves are available for order
- Magnetic shelf divider, sold in packages of three

Note that the 2-high bookcase is slightly shorter than the 2-high lateral file and double door storage cabinet. The bookcase is designed to fit under a work surface.

**TRACE Bookcase
Laminate Top**

- Factory installed 1-1/4" laminate top replaces the standard metal top
- Finish height of bookcase will be 5/8" taller than the height of a standard bookcase with metal top
- Laminate top will overhang the metal bookcase sides by 1/8", and it will be flush at front and back
- Specify the laminate and edge band as a suffix to the bookcase part number
- Add the price shown to the list price of the bookcase

Basic Construction

- Cayenne storage cabinets feature 3" high architectural legs, available in two styles
- The Cayenne cabinet and drawer front heights do not match those of Trace storage
- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- Welded steel frame construction and formed channels ensure strength in key areas
- Reinforced vertical and horizontal channels ensure dimensional stability
- Top and side channels are 20 gauge cold rolled steel. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- Metal and laminate tops are 5/8" thick
- Four leveling glides with 1/2" adjustment ensure proper alignment and operation

Features

- Cayenne cabinet legs are painted 02R1 Nickel; any Great Openings cabinet or desk products may be painted that same color with no extra charge
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Cayenne storage metal and laminate tops are sized to be flush with the sides of the cabinet, so that files installed side-to-side will have no gaps between
- Drawers include full-height side panels
- Two file bars are included in each drawer, for side-to-side filing. File conversion bars for front-to-back filing are sold separately
- Drawer bins will accommodate A4, Letter, and Legal size filing

Options and Accessories

- Cayenne storage may be ordered with metal top, laminate top, or no top. The no top option should be used when ganging two cabinets side-by-side with a common laminate top
- Cushions with non-slip backing are available in five sizes
- All options and accessories are sold separately or are available as an upgrade
- Laminate drawer fronts may be specified. See the Specification Guide for details
- Common laminate tops
- Individually locking drawers, either keyed or electronic
- File conversion bars for front-to-back filing
- Magnetic drawer dividers for Cayenne box drawers

Lock System

- All Great Openings products include randomly-assigned UM Series locks
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details and how to order
- The Cayenne lock system captures just the right hand side of drawer fronts
- Cayenne storage may not be ordered to include individually locking security drawers

Counterweights & Interlock

- The safety interlock mechanism is integrated into the drawer slides, allowing only one drawer to open at a time
- Counterweight is included as standard in Two Drawer cabinets and Rollout Shelf cabinets

Drawer Load Capacity

Drawers and rollout shelf load capacity:
 -30", 36", and 42" wide drawers: 125 lb
 Fixed and adjustable shelf load capacity:
 - 30" drawers: 95 lbs
 - 36" drawers: 116 lbs
 - 42" drawers: 136 lbs
 Cayenne storage metal top load capacity:
 - 30" drawers: 140 lbs
 - 36" drawers: 168 lbs
 - 42" drawers: 192 lbs

Credenza

- Selected storage cabinets are pre-configured into credenzas so you may order them using a single part number
- Each credenza includes:
 - 2 low storage cabinets
 - 1 common laminate top with ganging kit
 - 1 credenza center leg support (total of 5 legs)
- Credenzas must be assembled in the field
- Cabinets are unhandled so may be configured on left or right side or facing opposite directions

Credenza Center Leg Support

- Create your own credenza by ordering any two Cayenne Low Storage cabinets and then using this Credenza Center Leg Support to:
 - Gang the two cabinets tightly together, side-by-side
 - Eliminate the four legs in the center and replace them with this single support leg
- Must be used in conjunction with a common laminate top (shown above)
- Support leg sits in the center, front-to-back, so it's not visible to users
- Support leg is always round, regardless of the cabinet leg style
- Kit includes splice plate, round center leg, fasteners and instructions

Description	Pkg Wt	Pkg Cube	Part #	Price
one splice plate with center leg	2.5 lb	.16 ft	CYPX 0050K	\$111

Cayenne Ganging Kit

- When sourcing your own Cayenne Low Storage laminate top, use this kit to gang the cabinets together
- Ganging kit includes splice plate, fasteners, and instructions
- Does not include center leg support

Description	Pkg Wt	Pkg Cube	Part #	Price
kit to gang Cayenne cabinets together	1 lb	.2 ft	CSP 01K	\$69

Cushion

- Foam cushion is 1" thick
- Includes rubber anti-skid material on bottom
- For use on any laminate top cabinet
- Order any standard GO fabric, or COM
- Unless otherwise specified, the fabric grain on all cushions will be applied "front-to-back"

HEIGHT ADJUSTABLE TABLE SPECIFICATIONS

SIN 33721

Basic Construction

- Programmable height handset
- Single stage electric motor
- 29" Cord
- Speed: 1-1/2" per second, power consumption: 0.3W
- The base height adjusts from 29" to 47.5"
- Weight capacity: 265 lbs (does not include work surface)
- 1-1/4" thick laminate top
- Corner desks with laminate top are handed. Please specify left or right

Options and Accessories

- Marty hanging storage
- Metal, acrylic, and tackable privacy screens/modesty panels may be attached to laminate work surfaces

Colors

- Height Adjustable Table bases are available in three colors:
 - 02A4 – White
 - 03Y8 – Black
 - 05F0 – Silver

Spec Guide Personal Storage Pedestals Lateralis Collab. Islands Lockers Lam Lockers Towers Storage Cabinets Bookcases Cayenne **Hi Adj Tables** Trace Desk Desk Accs Sparkology Terms/Conds

The Trace Freestanding Desk is a modular system of desk shells, returns, bridges, corner units, tables, and individual components that can be mixed and matched with a comprehensive selection of Great Openings storage. All components are shipped knocked down.

Our mission in designing the Freestanding Desk

- Ease of specification. All work surfaces rest primarily on panel and corner legs, rather than pedestals. Storage options are innumerable, and simply slide beneath the desk shells, return shells, and corner desks for quick installation
- Ease of assembly. All metal attachment points are pre-drilled, so that no “drill point” screws are required during installation. All modesty panels attach to panel legs and corner legs, rather than to pedestals
- Ease-of-work surface installation. Pre-drilled work surfaces make it easy to position legs, pedestals, and center drawers
- Wire management. Covered metal channels, work surface and panel leg grommets, and “place it yourself” plastic wire management channels provide a complete wire management solution
- Clean lines. All modesty panels are single piece, to minimize vertical lines. Desk legs, pedestals, and full height modesty panels are identical in height so that horizontal lines are consistent
- Horizontal lines consistent with other products.

Detailed Component Specifications

23" and 29" Panel Leg Specifications

- Panel legs are non handed, and 27-3/4" high when leveling glides are fully recessed. Leveling glides provide 7/8" adjustment
- All panel legs are 1-1/2" wide so that work surface fasteners are positioned within the leg itself, allowing for storage to set snug against the leg
- 23" and 29" panel legs each require one gusset when no modesty panel is present
- Each leg is pre-drilled for both partial and full height modesty panel attachment
- All panel legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- 23" and 29" panel legs are available with or without two rectangular 3-1/2" x 2" plastic grommets (inside clear dimensions: 2-3/4" x 1-1/2"), positioned at the top of the leg
- Full height metal panel leg covers close-out vertical channels integrated into the panel legs (two per leg), and are sold separately. Each cover includes two grommets, located at top and bottom
- Panel legs and metal wire management covers consist of 20 gauge steel

Corner Leg Specifications

- “L” shaped corner leg is 7-1/2" x 7-1/2", and 1-1/2" wide so that work surface fasteners are positioned within the leg itself
- Corner legs are 27-3/4" high when leveling glides are fully recessed. Leveling glides provide 7/8" adjustment
- Each leg is pre-drilled for both partial and full height modesty attachment
- All corner legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- Metal wire management cover attaches and removes easily, closing out the triangular leg to capture wires within, and are sold separately
- Corner legs and covers consist of 20 gauge steel

Post Leg

- Post leg 27-3/4" high and 3" in diameter, with adjustable leveling glide
- Each leg is pre-drilled for both partial and full height modesty panel attachment

12" Panel Leg Specifications

- 12" panel legs are designed to sit perpendicular to the edge of the work surface, providing additional support and knee space. 12" panel legs may not be used at the end of work surface runs
- Unlike 23" and 29" panel legs, 12" panel legs do not require gussets when there is no modesty panel because they may not be used at the end of a work surface run
- 12" panel legs may also be used in mid-run to support two work surfaces simultaneously
- Each leg is pre-drilled on both sides for both partial and full height modesty panel attachment, and are unhandled
- All panel legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- A single grommet is included at the top of each 12" panel leg. Grommets are black plastic, 3-1/2" x 2" (inside clear dimensions: 2-3/4" x 1-1/2")
- A metal wire management cover is included with each 12" panel leg
- Panel legs and covers consist of 20 gauge steel

Gussets

- One gusset is required to support 23" and 29" panel legs when no modesty panel or pedestal positioned adjacent to the panel leg is present
- A gusset will prevent a mobile ped from sitting snugly against the panel leg
- Gussets consist of 18 gauge steel

Critical Dimensions:

Modesty Panel Specifications

- All Trace modesty panels are single-piece construction
- Modesty panels consist of 22 gauge steel, with forms on each edge for added strength and ease of attachment to panel legs and work surfaces

Modesty Panel Offset Brackets

- Modesty panels attach to pre-drilled holes located on the inside edges of panel legs. When a modesty panel must attach to the end of a panel leg, as with a return or bridge, then a modesty panel offset bracket is required to connect pre-drilled attachment points. Modesty panel offset brackets are included with returns and bridges, when ordered with modesty panels and are also sold separately

Work Surface Grommets

All TRACE work surfaces come standard with one or two grommets, which are black plastic with removable covers.

- Rectangular work surfaces 60" and narrower include one grommet in center
- Rectangular work surfaces 66" and wider include two grommets, with grommet center point 20" from each side edge
- Corner desks include one grommet in corner
- Peninsulas include two grommets centered on non-rounded end

Work Surface Over-Hang

Allow for 1/2" overhang on front, back, and sides of all desks. Work surfaces are pre-drilled for proper panel leg positioning

Work Surface Option

For large projects, it is possible to include metal inserts in work surfaces when required for attachment of panel legs, modesty panels, etc. Call for details

Work Surface Grommets

tops 60" or less
1 center grommet

66" or more
2 grommets

- A. Panel leg grommets available as an option with no up-charge
- B. Plastic wire management channels - one 18" channel included with each panel and corner leg
- C. Work surface grommets - one or two grommets included in all work surfaces
- D. Modesty panels in three heights allow wires to run beneath
- E. Wire management channel covers for panel legs & corner legs are sold separately

Our objective is to offer you our absolute lowest cost desk: no frills, with only the bare necessities. If you'd prefer a desk with modesty panels, please see our desk shell.

**Bare Bones
Single Pedestal
Desk**

- One top with grommet (tops 60" or less = 1 grommet, 66" or more = 2 grommets)
- One pedestal with counterweight
- One panel leg with gusset
- No modesty panel
- Plastic wire management channel included with panel leg

**Desk Shell
– Partial
Modesty**

- One top with grommets (tops 60" or less = 1 center grommet, 66" or more = 2 grommets)
- Two panel legs (panel leg grommets optional, no up-charge)
- 36" work surfaces will include 29" panel legs, with 6" work surface overhang
- Partial modesty panel is 12" tall, raised 17" from floor
- Modesty height designed to allow easy access to electrical outlets
- Plastic wire management channels
- Bow front work surfaces have a 6-1/2" overhang in the center

Hanging pedestals do not match the height of this modesty panel. Use 3/4 Modesty panel on next page.

End-of-run corners are designed with a 23" or 29" panel leg located on the "D" side of the corner desk. This panel allows desking runs to be terminated at the corner in a way that ensures stability and offers a clean, finished look. An end-of-run may be used as an end run, it must be attached to a bridge or return on the side with the 12" panel leg.

**End-of-Run
Extended Corner -
No Modesty**

- One top with grommet
- One corner leg, one 12" panel leg, and one 23" or 29" panel leg
- No modesty panels
- Plastic wire management channels
- One gusset

Bridges attach to desk shells, single pedestal desks, corner desks, and peninsulas to form a U-shaped configuration. Bridges cannot attach to returns or single pedestal returns. When adding a bridge to a single pedestal desk (L-Station), the single pedestal desk should be at least 66" wide to leave adequate knee space.

**Bridge
– No Modesty**

- One top with grommet (tops 60" or less = 1 center grommet, 66" or more = 2 grommets)
- Four splice plates
- No modesty panels

Desk Component Note and Warranty Disclaimer:

Desk components are provided for customer convenience when creating customized desk configurations. It is exclusively the customer's responsibility to select the correct components and component sizes, and to ensure product safety and stability in the application of these components.

Please see the TRACE Desk Assembly Guide (supplied with each order) for proper placement, sequence and tools for connecting support legs, modesty panels, and work surfaces. See the TRACE Freestanding Desk FAQ's for a detailed description of the components listed here.

**TRACE Panel Leg
(non-handed)**

- Each 12" panel leg includes (1) 18" plastic wire management channel, (1) metal wire management cover, and a single centered grommet at the top of the leg
- Each 23" and 29" panel leg includes (1) 18" plastic wire management channel. Metal wire management covers are sold separately (see below)
- Panel legs may be ordered to include two rectangular plastic grommets, positioned at the top of the leg. Add the suffix "G" to include these grommets (no extra charge)
- Leveling glides provide 7/8" adjustment

Description	Pkg Wt	Pkg Cube	Part #	Metal Color	* = No grommet G= grommet	Price

	pkg. of 4 covers without grommets	8 lb	.2 ft	GCN 0004	?	No	\$230

TRACE Corner Leg

- Each corner leg includes (1) 18" plastic wire management channel. Corner leg wire management cover is sold separately
- Leveling glides provide 7/8" adjustment

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
corner leg	pkg. of 1 leg	8.7 lb	1.1 ft	GOC 01 K	?	\$346

TRACE Corner Leg Wire Management Cover

- Attaches magnetically to corner leg

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
corner leg cover	pkg. of 1 cover	2 lb	.2 ft	GOC 151 K	?	\$101

Panel Leg Gusset

- One gusset is required per 23" or 29" panel leg when no modesty panel or adjacent storage cabinet is present

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
gussets	pkg. of 1 gusset	1.1 lb	.1 ft	GUS 01 K	?	\$85
	pkg. of 2 gussets	2.2 lb	.2 ft	GUS 02 K	?	\$168

Post Leg

- Post leg is 3" diameter and 27-3/4" high Includes leveling glide
- Pre-drilled to accommodate partial and full-height modesty panels
- Leveling glides provide 7/8" adjustment

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
post leg (specify color)	pkg. of 1 leg	7 lb	.8 ft	GSK 0036	?	\$376

"H" Leg

- For use with work surfaces 24" to 30" deep
- H leg is 27-3/4" high, with leveling glides
- Top plate is 6" x 18"
- Leg width is 16"

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
"h" leg (specify color)	pkg. of 1 leg	15 lb	2.0 ft	GHL 2214	?	\$838

Splice Plate

- Connect two work surfaces at 90 degree angles to one another. 4" x 4"

Product	Qty	Pkg Wt	Pkg Cube	Part #	Price
splice plates (black)	pkg. of 2 plates	1.1 lb	.01 ft	GSP 02 K	\$66

Modesty Panel
Offset Bracket

- For use when attaching a modesty panel to the end of a panel leg, as with a return or bridge. Specify bracket for full-height or partial height modesty panel

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
full-height bracket (specify color)	pkg. of 1 bracket	2 lb	2.0 ft	MPBF 01 K	?	\$92
partial-height bracket (specify color)	pkg. of 1 bracket	2 lb	2.0 ft	MPBH 01 K	?	\$81

Panel Leg /
Pedestal Bracket

- Securely attaches pedestal to bottom of a panel leg. For use during rugged furniture rearrangement
- Bracket is black

Product	Qty	Pkg Wt	Pkg Cube	Part #	Metal Color	Price
23" panel leg bracket	pkg. of 1 bracket	.5 lb	1.0 ft	PLB 2401 K	?	\$68
23" panel leg bracket	pkg. of 2 brackets	1 lb	1.0 ft	PLB 2402 K	?	\$138

29" panel leg bracket	pkg. of 2 brackets	1.6 lb	1.0 ft	PLB 3002 K	?	\$161

Panel leg leveling glides screw through bracket back into panel leg to secure bracket to both pedestal and leg

Modesty Panels

All TRACE modesty panels are single piece 22 gauge metal. Pre-drilled for quick installation with any size panel leg or corner leg. Full height modesty panels are 27-5/8" high, partial height are 12" high. Plan for 1/2" work surface overhang on all sides of legs, modesty panels, and case goods. Panel legs are 1-1/2" thick. Please specify metal color.

**Work Surface
Stiffeners**

Work surfaces that span 60" or more unsupported by legs or a work surface supporting pedestal should include a metal stiffener to prevent sagging. Stiffeners are factory-installed, in-set into the work surface so that there is no interference with pedestals or personal drawers that may be installed underneath

A	B	Pkg Wt	Pkg Cube	Part #	Price

KD Desk Hutch

- Doors flip up to stow over the top, hutch compartment includes a vertical center divider
- 36" and 42" wide hutches include one door, all others include two doors
- Inside depth is 12-1/2" and inside height is 12-1/4"
- Out-of-sight locks are located beneath shelf, and the two doors are keyed alike
- Includes UM series locks - also available in LL. SL locks are not available
- Includes tack board and rubber wire management strip
- Bottom shelf accommodates a task light (sold separately)
- To add a loop pull (S: Satin Nickel Loop) to hutch doors, add an "L" as a suffix to the product number (no up-charge)
- Removable metal wire management covers on hutch side panels conceal task light cord
- Hutch upright side panels must be placed within 2" of a pedestal, panel leg, or corner leg to ensure adequate support
- Hutch width is actually 1" narrower than listed, to allow for 1/2" setback on both sides
- Hutch ships knocked down with assembly instructions for field installation
- Specify metal color and fabric
- For yardage requirements see "Ordering COM Fabrics" in this price book

**LED Linear
Task Light**

- 9' black power cord
- 3500K color temperature
- Metal trough reflector with diffuser lens
- Magnetic or screw mounting options
- Clear anodized aluminum with flint color end caps, UL/CUL listed
- 5 year warranty

LED Green Advantages:

- Solid state technology eliminates the need for Chicago Code (fused plugs)
- Low energy consumption, No UV emissions, no flickering
- No disposal hazards - no mercury, lead, or gases
- Long life @ 50,000 hours eliminating re-lamp and maintenance time
- Allows for low profile, light weight, fixture designs

For Use on	H	D	W	LEDs	Pkg Wt	Pkg Cube	Part #	Price

**Brackets Sold
Separately**

Our brushed aluminum clips are also sold separately to be used with customer-supplied privacy screen or modesty panel material. (1/4" thickness required for modesty panel and 1-1/4" thickness for worksurface.)

Description	Part #	Price
Two complete clip assemblies to support both above-surface screen and below-surface modesty panel. Includes mounting hardware and instruction sheets	ACM 02K	\$231
Three complete clip assemblies to support both above-surface privacy screen and below-surface modesty panel. Includes mounting hardware and instruction sheets	ACM 03K	\$313

Bracket Detail:

Privacy Screen Bracket
Attaches underneath work surface
with fasteners (included)

Modesty Panel Bracket
Attaches underneath work surface
with fasteners (included)

Privacy Screen and Modesty Panel
brackets may be used together

**Metal
Modesty Panels
- Solid**

- These metal modesty panels are solid; they do not include perforations
- Wire management tray at bottom is 2" deep
- Panels are 20 gauge
- Panels attach underneath the work surface with 3/4" fasteners (included)
- Panels are designed to be in-set 6" from each side of the work surface

Cannot be used with modesty panels.

- Tackable board is covered on both sides with fabric of your choice. Brackets and fasteners are included, which allow the screen to be fastened to the underside of the work surface
- 12 gauge metal mounting brackets slide between these back-to-back tackable boards and are hidden from sight (See cut-away diagram below)
- Please note that tackable privacy screens may not be added to a desk when modesty panels are in use because the screen mounting brackets interfere with the modesty panel location
- Screens 35" and narrower include two mounting brackets
- Screens 41" and wider include three mounting brackets
- Privacy screen widths may be matched to that of the corresponding work surface size
- Screens measure one inch less than the work surface widths to allow for even spacing between screens, wire management, and cornering applications
- For yardage requirements see "Ordering COM Fabrics" in this price book on page 10

**Tackable Screen
– Rectangular**

Dotted lines indicate hidden mounting brackets

COMMERCIAL TERMS & CONDITIONS

These conditions of sale supersede all previous selling policies. Prices, discounts, lead-times and product offerings are subject to change without notice.

Order Placement

Great Openings requires that all orders be submitted in writing to avoid errors and/or duplication. Sales of all Great Openings' products are made only on the Company's standard terms and conditions of sale, unless modified in writing by an authorized Great Openings representative.

Orders received at Great Openings after 4:00pm EST will be processed the following day.

Order Acknowledgement

We diligently issue order acknowledgements via e-mail within 24 hours of purchase order receipt. If you do not receive an acknowledgement within 24 hours, please call our Customer Service department to determine the reason; we may not have received your order, or we may have questions that are delaying order entry.

**PLEASE CHECK
ACKNOWLEDGEMENTS
FOR ERRORS
IMMEDIATELY UPON RECEIPT.**

The order acknowledgement process is designed to ensure protection for both the buyer and the seller. We strongly urge the buyer to make sure the acknowledgement accurately reflects the intended purchase.

Order Discrepancies

Great Openings will not be held responsible for extra costs due to errors resulting from purchase order inaccuracies. If and when a discrepancy is detected on the purchase order or acknowledgement, all corrections must be received in writing before further order processing can occur.

Changes, Cancellations

Orders may not be changed, corrected or cancelled, in whole or in part, after Great Openings has issued its order acknowledgement without the written consent of an authorized Great Openings representative. Special order items (special or custom cabinets, Customer's Own Materials (COM) fabric and laminates) already in production are not subject to change or cancellation under any circumstances.

Canadian Orders

Canadian orders may be processed using this price book. The pricing and payment terms included in this book are in U.S. funds. Custom brokerage fees and GST/HST taxes will be charged as separate line items on the invoice. All prices are freight included; FOB: Destination. A Regional Small Order Freight Charge applies to all orders less than \$5,000 list (does not apply to accessory orders). See regional map for applicable fee.

Lead-Time

Lead-times are measured in working days, and begin after receipt of clean order.

Lead-times may change without notice. Stated lead-times will not commence until purchase order is actually entered into our system. We are not responsible for delays caused by order discrepancies or late receipt of COM items.

Special Shipping Instructions

Great Openings will accommodate special shipping/delivery requests whenever possible. Purchaser will be responsible for any and all extra costs incurred by reason of Great Openings complying with a special shipping request. Examples of special requests that may cause extra charges (dollar amounts shown are approximate, actual amounts may vary):

- special carrier/lift gate: starting at \$85.00
- inside delivery: starting at \$50.00
- expediting, re-consignment, delays causing carrier storage: starting at \$50.00
- truck load delivery times after 3:00 pm, Monday through Thursday start at \$400
- truck load delivery after 3:00 pm, on Friday: \$800
- delivery times outside normal business hours including weekends and holidays: starting at \$450.00 per truck
- exact, narrow scheduling window (elevator time): starting at \$150.00
- non-commercial/residential deliveries: starting at \$60.00

The maximum amount of time allowed for off-loading product from trailers is 3 hours. Carrier costs associated with any additional delivery time will be charged to the dealer. Any additional charges that result from the purchaser failing to accept a shipment as agreed upon will be the responsibility of the purchaser.

Special Delivery Charges

Once a delivery truck arrives at a destination, if the recipient is not ready to accept delivery as scheduled and the truck must wait, deliver "after hours", or make a second drop at a later time, the carrier charges a penalty for that delay which Great Openings must pass on to the customer.

These charges are as follows (dollar amounts shown are approximate, actual amounts may vary):

- Night Delivery:
- 3:30-4:30 p.m.: \$400 additional charge
 - 4:30-5:30 p.m.: \$450 additional charge
 - 5:30 p.m. and later: \$500 additional charge
- Detention fee will be \$75 per hour after two hours. Drop charge will be \$75 per drop.

Weekend and holiday deliveries will be quoted per load depending on location and delivery time.

Please use caution when planning and communicating delivery requirements so that these exorbitant fees will not be necessary.

Key-Alike Services

Key-alike service is offered free of charge provided the key-alike request is associated with an order for a matching quantity of cabinets. Additional key/core sets, master and core keys are available for a nominal charge. All Great Openings products are keyed randomly prior to shipment. Special cores and keys are shipped separately to be changed-out in the field. See the Specification Guide in the front of this book.

COM & Fabric Grades

If COM materials are difficult to apply or inadequate, Great Openings reserves the right to apply extra charges or to cancel the order. Great Openings has no control over COM material quality or performance and will not be held responsible for material defects or damage caused by improper use or application.

Limited Lifetime Warranty

Great Openings warrants its Great Openings brand Metal Case-goods, Trace and Cayenne Desks, Files, Storage, Lockers and Sparkeology products to be free from defects in materials and workmanship for the life of the product, except as set forth below. This warranty applies to Great Openings products delivered in the United States and Canada and is non-transferable. The warranty is valid from the date of delivery to the End User. This warranty does not cover ordinary wear and tear, improper installation, outdoor use, or direct mis-use of the product. This warranty does not apply to Customer's Own Materials (COM) for fabric, laminates, or edge bands. In addition, supplier warranties will apply to products not manufactured by Great Openings. End User means the final purchaser acquiring a product from Great Openings or the Great Openings Dealer channel for the purchaser's own use and not for resale, remarketing or distribution. Great Openings will not be liable for loss of time, inconvenience, commercial loss, incidental or consequential damages.

EXCEPTIONS TO THE LIFETIME COVERAGE

Laminate Lockers – 12 years

Single, Double, Multi-purpose, Quad, and Cubby Laminate Lockers and includes both TFL and HPL options.

Tables – 5 years

Sparkeology Line Products: Pete and Oscar

Seating and Tables – 2 years

Height Adjustable Tables, Sparkeology Line Products: Ben, Manny, Sly, Sophia, Cupcake, and Lily

High Wear Parts – 1 year

Mobile Storage Casters, Gas Rods, Cushion Pads, Hinges, Power and Electrical components

Surfaces Materials Disclaimer:

- Exact matching of surface finishes, including an exact match to cuttings, samples, or swatch cards are not covered.
- Changes in surface finishes and colorfastness due to aging, exposure to artificial light or exposure to direct sunlight are not covered.

Credit Card Transaction Fee

Credit card payments in excess of the following thresholds will be subject to a 2.16% transaction fee. Please note that Great Openings also accepts payments via ACH, wire transfer, and check – all free of charge.

Type of Sale	Credit Card Threshold (per sales order)	Fee Assessed for Amount Over this Threshold
Commercial	\$10,000.00	2.16%
GSA: Project in USA	\$20,000.00	2.16%
GSA: Project outside of USA	\$30,000.00	2.16%

COMMERCIAL TERMS & CONDITIONS

Regional Pricing

Great Openings reserves the right to adopt regional discount programs and small order freight charges to address the freight cost impact applicable to each geographic region. A buyer's region will be determined by shipping destination.

Payment Terms

Orders are invoiced at the time of shipment and payment is due upon receipt of the invoice. Invoices unpaid thirty (30) days after the invoice date are subject to a late payment charge in the amount of one and one-half percent (1-1/2%) per month on the unpaid balance until paid. Great Openings reserves the right to modify or establish special credit arrangement for any customers at any time at its sole discretion. All prices are subject to change without notice.

Remit to:

GREAT OPENINGS
PO Box 7581
Carol Stream, IL 60197-7581

Taxes

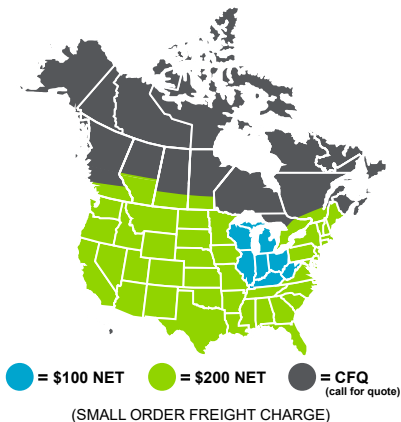

All sales, use, excise and other applicable taxes (excluding only taxes on the net income of Great Openings) are the purchaser's responsibility and will be invoiced to the purchaser. If purchaser claims an exemption from such taxes, it shall be the purchaser's responsibility to furnish an appropriate exemption certificate to Great Openings.

For Canadian orders, Great Openings does invoice and collect for GST/HST.

Freight Policy

All prices are freight included, F.O.B. Destination. Prices are based on a single shipment to a single location. A Small Order Freight Charge applies to all orders less than \$7,500 list (does not apply to orders for accessories).

See the map below for Small Order Freight Charge by destination. Effective July 1, 2024, orders totaling less than \$7,500 list that are shipped to Michigan, Wisconsin, Illinois, Indiana, Ohio, Kentucky, and West Virginia a Small Order Freight Charge of \$100 net will apply. For orders totaling less than \$7,500 list that are shipped to the remainder of the continental U.S. and southern portions of Canada as shown on the map, a Small Order Freight Charge of \$200 net will apply. For Alaska, Hawaii, and all other portions of Canada, please call for a quote.

A flat rate \$15 FedEx shipping and handling fee will be charged at time of purchase order to handle incidental small product packages (i.e. keys, name plates, file bars, etc.).

Standard Packaging

All Great Openings' products are packaged in accordance with industry standards and common carrier requirements. Pedestal products are individually boxed with polystyrene corner guard inserts, then palletized, and shrink wrapped. Lateral and storage product packaging consists of corrugated top and bottom trays, corner guards, palletized, shrink wrapped and labeled. For full truckloads only, upon special requests, we can provide a blanket wrapped shipment; please call for a quote.

Shipment and Delivery

Freight is included in the prices as displayed in this price book. All shipments are FOB destination: free freight to destination in the continental United States. Shipments outside the contiguous 48 states will be freight collect from exit port. Exception for Canadian shipments; see the section on Canadian orders. Great Openings will select the mode and carrier of shipment.

- Partial shipments may be necessary and are at the discretion of Great Openings.
- Great Openings cannot guarantee exact time of delivery.
- Any charges resulting from late deliveries beyond our control are not the responsibility of Great Openings.
- Ship dates contained in order acknowledgements are estimated and not guaranteed.

Great Openings will often consolidate orders to maximize shipping efficiency. In these situations, a customer's designated ship date may change, though Great Openings will make every effort to ensure that requested delivery dates are still met.

Product Storage Fees

Once an order enters production, it is not possible to stop production on that order if a last-minute request is made to delay shipment. If it is absolutely necessary to hold the product at Great Openings for a later ship date, a holding fee of \$7 net per pallet or \$100 net per trailer will be assessed each week and partial week until the product ships. Weekly storage fees will be the responsibility of the purchaser on any delayed shipment of a produced order.

Returns

Great Openings will not accept returned goods.

Claim Policy

It is the purchaser's responsibility to examine goods upon receipt and to notify Great Openings customer service with any concerns. Any claims against Great Openings for apparent defects, errors or shortages must be made by the purchaser within five (5) working days after any delivery. Failure by the purchaser to make any claim against Great Openings within (5) days shall constitute acceptance of the goods and waiver of any apparent defects, errors or shortages.

Freight Damage Claims

Great Openings' terms are FOB destination. Great Openings is not responsible for damage that occurs in transit. All Great Openings' products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order.

It is the buyer's responsibility to inspect goods upon receipt for both apparent and concealed damage. In the rare instance where shipping damage is found, we ask the purchaser NOT to refuse shipment. Accepting shipment will give us more opportunities to remedy the situation through parts (fronts, tops) replacement and within the guidelines of the stated terms.

Claim and Replacement Policy

In the case of documented shipping damage, Great Openings will file a claim with the carrier and issue at no charge any replacement parts or product only if the purchaser meets the following conditions:

- Product is shipped via a Great Openings designated carrier
- Accept the shipment
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Great Openings immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Great Openings from obtaining carrier reimbursement and thereby require us to charge full price for product replacement.

Great Openings is not responsible for labor or trip costs associated with freight damage product replacement.

Concealed Damage Policy

Concealed damage (damage discovered after acceptance with no bill of lading documentation) should be reported to Great Openings immediately upon discovery. Please retain packaging and request carrier inspection immediately. Carrier liability ceases 7 calendar days after receipt of shipment. Great Openings will investigate on a case-by-case basis. In any case, Great Openings assumes no liability beyond the 7-day carrier liability and reserves the right to apply no remedy and/or various remedies dictated by individual event circumstances.

The buyer may make NO DEDUCTION UNDER ANY CIRCUMSTANCES ensuing from freight claims when settling invoices with Great Openings.
